OAN Number: 04/24	Issue Date: 09th July 2024	
Subject: Restrictions in the combination of roles covered by the Accountable Manager of complex operators		

Complex organizations - those as specified by AMC1 ORO.GEN.200(b) - are hereby notified that, as of today, TM-CAD shall not accept the Accountable Manager to fill multiple key roles within the organization.

On a case-by-case basis, exceptions to this general rule may be granted to address urgent, unforeseen circumstances such as the short-notice resignation or protracted illness of an appointed Nominated Person.

However, these backup plans should be seen as temporary solutions, in any case restricted to a maximum period of six months.

Organizations whose Accountable Manager is currently filling multiple roles are requested to contact TM-CAD and provide a timeline to address the issue.

Please be guided accordingly.
