The work will be carried out between Monday 15th March 2021 and Monday 31st May 2021.

Divers will be carrying out some of the work and will be displaying the International Code Flag "A".

A silt curtain will be laid along the imaginary line joining points A, B and C as shown on attached chart.

C	35° 51'.151	014° 33'.797

A safety distance of 20m from the silt curtain is to be maintained at all times.

Any vessels and moorings that are left in this area will be removed at the expense of the owner. No liability whatsoever will be accepted by the Authority for any damage that may be caused while removing the said vessels and moorings.

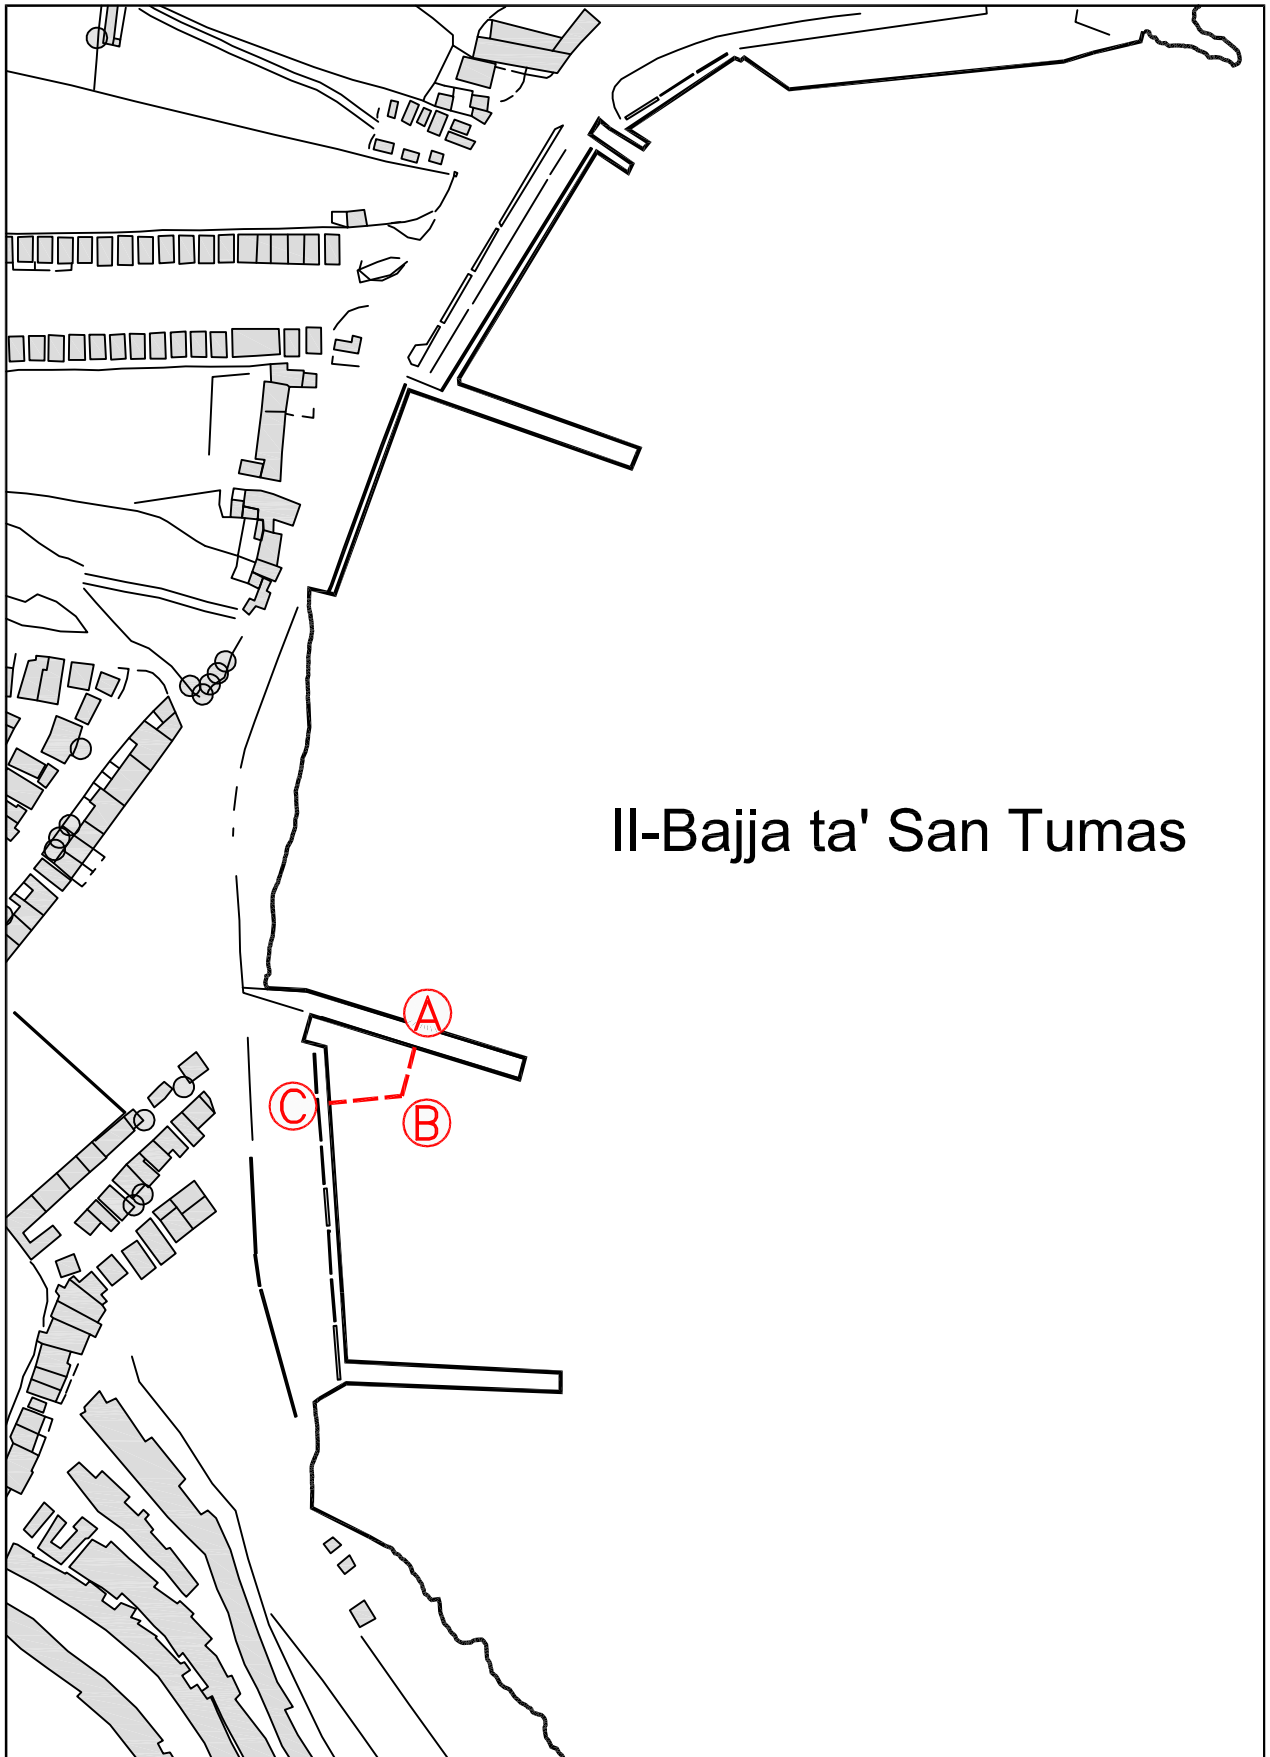

The slip cannot be used during this period due to the silt curtain and the upgrading works. Masters and vessel operators are instructed to cooperate with the contractor on site. They are to keep a sharp lookout and navigate at very slow speed (no wake) during the above-mentioned dates.
