Repair works on quay at Il-Bajja ta' San Pawl

The Ports and Yachting Directorate, Transport Malta, notifies mariners and the general public that repair works will be carried out on the jetty next to Il-Menqa in St. Paul's Bay.

The works on the jetty will commence on Monday 24th October 2022 and are expected to be completed by Saturday 28th January 2023.

A silt curtain, approximately 3m from the jetty, will be laid along the imaginary lines A to B, B to C and C to D as shown on the attached chart. A safety distance, of at least 5m from the silt curtains, shall be maintained at all times.

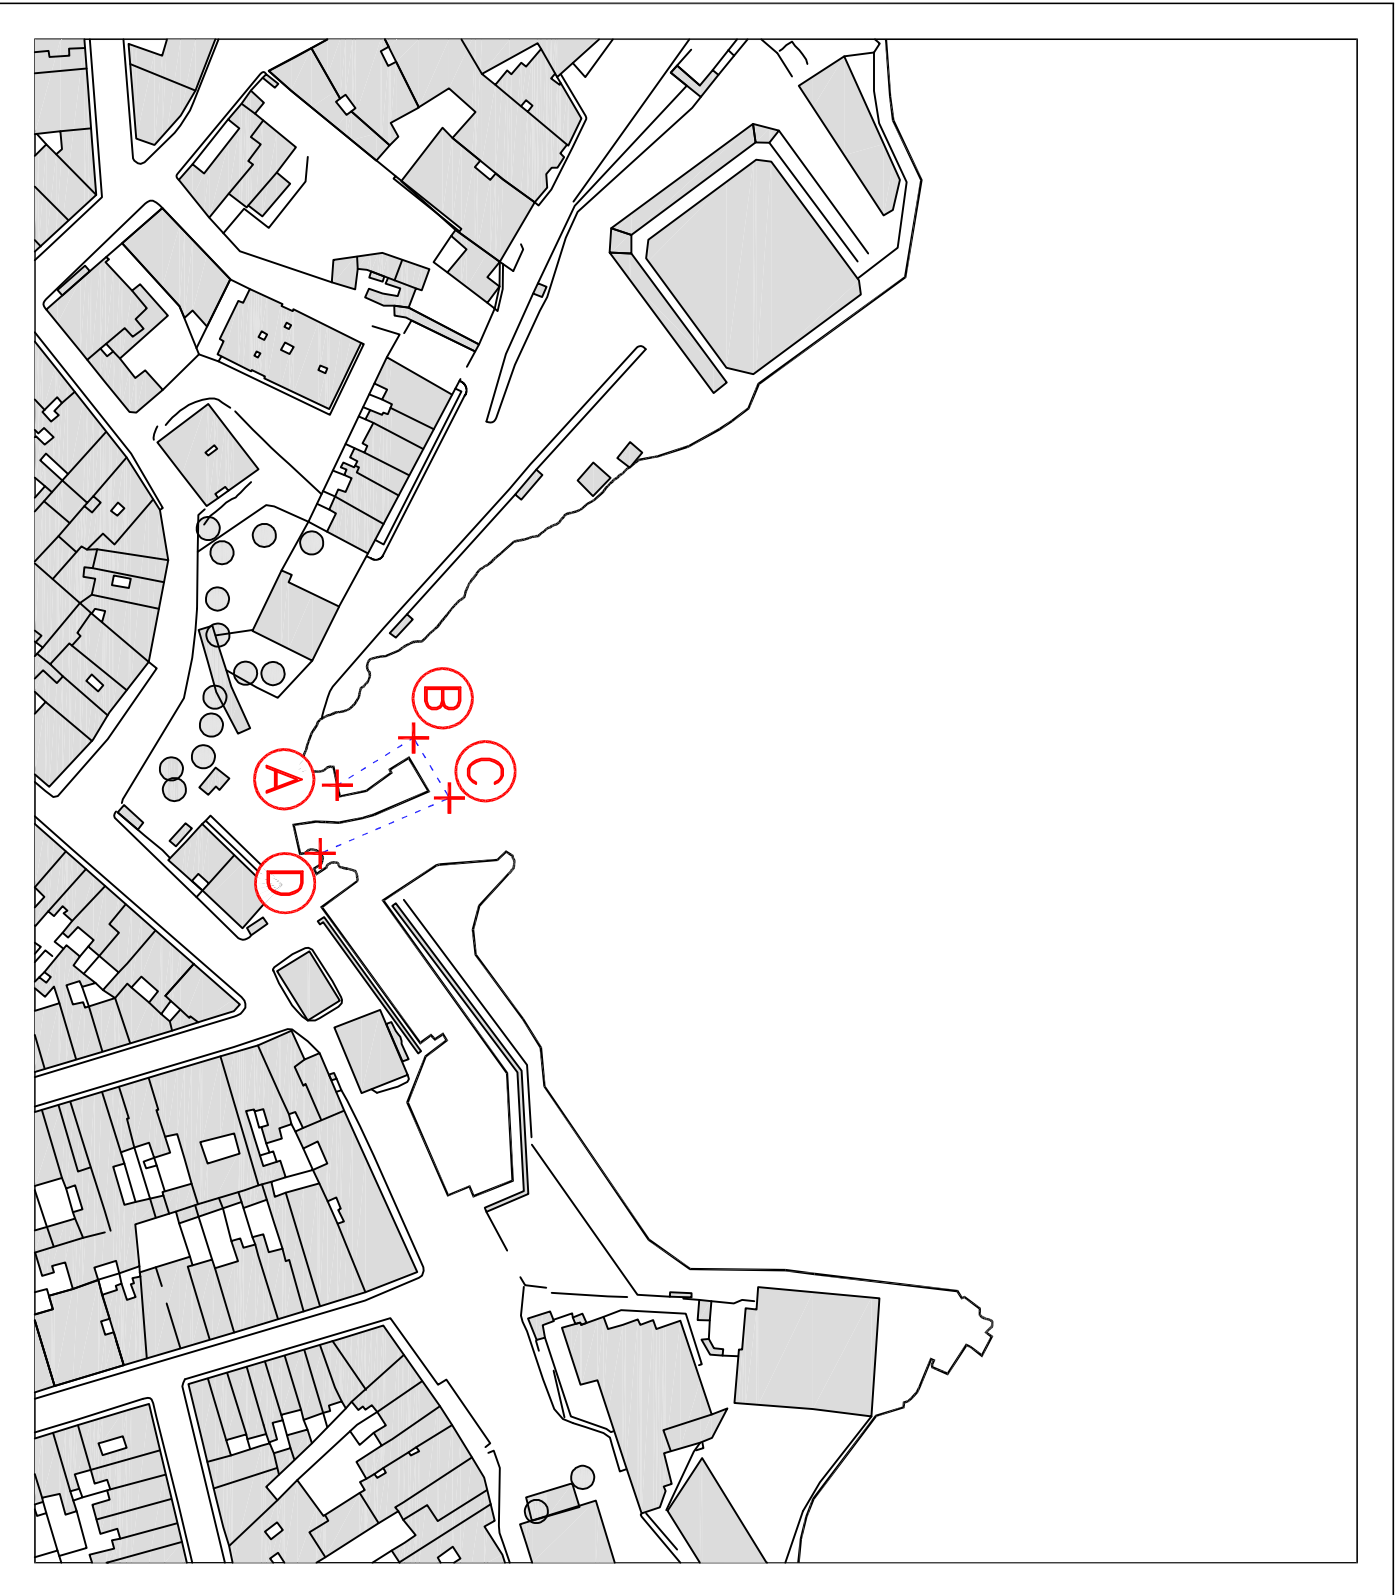

Mariners are to note that due to these works the jetty cannot be used from landward and from seaward throughout the duration of the works.

The works will be carried out from land and by scuba divers who will be displaying the International Code of Signals flag "A".

Mariners and vessel operators are to navigate with caution and at slow speed (no wake) when in the vicinity. They are to co-operate with the contractor on site.

Mariners are to comply with instructions issued on VHF channel 12 and/or 16 by Valletta VTS.

Chart affected: **BA 211**
