The Ports and Yachting Directorate, Transport Malta, notifies mariners and the general public that the reinstallation works on the Comino pier at Blue Lagoon is ongoing.

Due to the nature of the works, the use of the Comino Jetty will be temporarily closed between 2000 hours and 0700 hours to the general public with *immediate effect* and until further notice. A flat barge with heavy machinery onboard will be alongside the Comino Jetty to assist with the reinstallation of such works.

No commercial vessel is allowed to make use of the Comino – Blue Lagoon jetty during these hours.

The Comino Jetty will however remain available to the general public, between the hours of 0700 hours to 2000 hours during all days.

Masters and operators of vessels are advised to keep a sharp lookout, proceed with caution, and at slow speed (no wake) when navigating close to the above-mentioned pier. They are to co-operate with the contractor on site.

They are also to comply with any instructions given on VHF channel **12** and/or **16** by Valletta VTS and by Enforcement Personnel on site.
