The Ports and Yachting Directorate, Transport Malta, notifies mariners and the general public that repair work will be carried out on a slipway at Il-Bajja tax-Xlendi, Gozo.

The works will start on Monday 6th May 2024 and should be completed by Sunday 12th May 2024.

A silt curtain will be laid along the line A and B, as shown on the attached chart.

These works will be carried out by scuba divers who will be displaying the International Code of Signals flag "A", while works are being carried out.

Due to the above, the slipways mentioned above, and the adjacent side of the jetty will not be accessible while the works are being carried out. The other side of the jetty will not be affected and can be used normally.

Mariners and owners of vessels are to proceed at very low speed (no wake) when navigating close to the area, they are to keep at least 10m away from the silt curtain and are to co-operate with the contractor on site.

All mariners are to comply with any instructions given on VHF Channel 12 and/or 16, by Valletta VTS and by any Enforcement Personnel on site.
